

Consumer eBanking Account and Services Agreement

Introduction:

As used in this agreement, the words “you” and “your” refer to the account holder(s) and the words “Bank”, “us”, and “we” refer to ConnectOne Bank.

Consumer eBanking:

- You must have at least one ConnectOne Bank account to enroll in Consumer eBanking (“CeB”).
- There are no service charges for use of this service.

Bill Paying Service:

- You must be enrolled in CeB to have access to the bill paying service.
- Additional merchants may be added at any time.
- There is no monthly service charge for use of this service. Please refer to our schedule of fees for information regarding miscellaneous charges that may apply.

Credentials:

- For access to CeB, you must enter a User Id and Password, which you will be prompted for at the time of enrollment. You will not be required to change your password once established. The security of your password and/or other access codes is your responsibility. Therefore, although the Bank will not require you to periodically change your password and/or other access codes, online security best practices suggest that users should change their password periodically to avoid that password being discovered and used by third parties. Under this agreement, we are entitled to accept and carry out any instructions entered into the system using your password and other access codes.
- Please remember that Bank employees will never ask you for your password. You understand that your User ID and Password is your electronic signature. It identifies you to us and authenticates and validates the direction given just as your actual signature.
- You agree to maintain the confidentiality of your User ID and Password. You authorize the Bank to honor any transfer requests and provide account information to anyone who

provides the correct User ID and PIN. Furthermore, you agree to promptly notify the Bank if an unauthorized person has obtained your User ID and/or Password, or if unauthorized transfers or errors appear on your account statement. You agree that your liability to the Bank for any and all transfers to and from your account(s), whether authorized or unauthorized, as well as your liability for failure to report unauthorized transfers or account errors is limited only by the provisions of the Electronic Funds Transfer Act.

Security:

- You understand the importance of your role in preventing misuse of your account(s) and you agree to promptly examine your paper or electronic statement for each of your accounts as soon as you receive it. Please refer to the Consumer Deposit Account Agreement for additional details. The Consumer Deposit Account Agreement shall govern should there be any conflict between this Agreement and the Consumer Deposit Account Agreement.
- You agree to protect the confidentiality of your account, account number, and all personal information, including your social security number and driver's license number. You understand that any personal information by itself, or together with information related to your account, may allow unauthorized access to your account.
- Any of the credentials for access and/or use of CeB products and services, along with any other authentication processes, are intended to provide security against unauthorized entry and access to your accounts. Your credentials are not meant to be shared. You agree to maintain the confidentiality of your credentials, including, but not limited to, your User ID and password. If you provide someone, or if someone obtains your User ID password or any other credential to access or use CeB products and services, you are authorizing that person to use CeB products and services on your behalf, and you are responsible for all transactions performed under any such credential.
- The Bank utilizes a secure server that supports 128-bit encryption to ensure that your personal information is safely transmitted over the internet. There are Firewalls installed to prevent unauthorized access of confidential information. There is also an automatic lockout feature which will automatically lock out an attempt to access account information after three failed logon attempts. In addition, the system will automatically timeout if your session activity remains idle for a period of twenty minutes. Please read our Privacy Policy for additional steps that we take to protect your personal information.
- Your credentials, including, but not limited to, your User ID and password identifies you and authenticates and validates the instructions given to the Bank as if they were given to us by you in person.
- You agree that ConnectOne Bank is authorized to act on any instruction received under any of your credentials (User ID, password, etc.), whether used alone or with any other credential or authorization processes. This includes your authorization that we honor any transfer requests and provide account information to anyone who provides the proper credential(s).

- You agree that you are solely liable and responsible for any transaction that is performed using any of your credentials (i.e. User ID, password, PIN, etc.), including those transactions you authorized or did not authorize, including those that you did not intend or want performed. You agree that you are liable for each and every transaction that is initiated using any of your credentials regardless of whether such use was initiated fraudulently or otherwise. We undertake no obligation to monitor transactions through or on CeB to determine that they are made on your behalf.

Account Access:

- If you have enrolled in CeB, you may access any of your accounts with us for the purpose of reviewing transactions or obtaining balance information. For personal accounts only, you may access any checking, savings, or money market account for the purpose of transferring funds and making loan payments. You may not transfer funds to or from an IRA or Certificate of Deposit.
- If you have enrolled in CeB Bill Paying Service, you may access the checking account that you have authorized the Bank to use to pay bills for you.

Limitation on Frequency of Transfers:

You may access your accounts and make transfers at any time. Although there are no restrictions on the number of transfers you may make from your checking and interest bearing checking accounts, Federal Regulations limit the number of transfers which may be made from a money market or savings account to another account or third party by preauthorized, automatic or telephonic (including data transmission) transfer to six per month. Transfers made through CeB from a money market or savings account count towards these limitations. Please refer to your deposit account disclosure for additional information.

Limitations on Dollar Amount of Transfers:

You may transfer up to the available balance in your account.

Processing of Transfers:

Transfers processed prior to 9:00 PM EST Monday through Friday, excluding holidays, will be posted on the same day. Transfers made after 9:00 PM EST Monday through Friday, excluding holidays, may not be posted until the next business day. Transfers made on the weekend or holiday will be posted on the next business day. Telephone instructions to make a transfer cannot be canceled after the system has accepted them.

Stop Payments:

- You may place a stop payment, utilizing CeB, on any check that you have written. If you do, you agree to the following terms and conditions:
 - The information on the stop payment must precisely identify the check number, the payee and the amount of the check. If you do not give exact information, the Bank assumes no responsibility for stopping payment.
 - The stop payment must be received in time to give us a reasonable time to act upon it. Stop payments received before 3:00 p.m. on Monday through Friday, excluding legal holidays are processed on the day received. Stop payments received after 3:00 p.m. or on a weekend or legal holiday may not be processed until the next business day. A stop payment must be received before the check has been presented for payment.
 - The stop payment order is effective for six months unless renewed through CeB or in writing before the expiration of six months. If the stop payment order is not renewed before the expiration of six months, it will automatically terminate and the Bank is free to pay the check. In such an instance, you hereby agree to release and do waive any and all claims against the Bank with respect to the stop payment order or the check itself and you further agree to indemnify and hold the Bank harmless with regard to any and all claims involving the stop payment order and/or check, which includes the Bank's reasonable attorney fees and costs.
 - You understand that there may be claims or demands made against the Bank as a result of your request to the Bank. You agree that you will defend the Bank and will be responsible to the Bank if any claim or demand of whatever nature, is made against the Bank with respect to a stop payment order and/or the check itself. You agree to indemnify and defend the Bank and to reimburse the Bank for any reasonable costs, expenses or attorney's fees that the Bank may incur in defending itself against any such claims or demands. You understand that the Bank will use all reasonable efforts to comply with a stop payment order. However, you understand fully that unless the check number, the payee and the amount of the check are correctly entered on the stop payment order, the Bank assumes no responsibility for stopping payment and is not liable to you if a stop payment cannot be accomplished.
 - You agree to pay a stop payment fee, as noted in ConnectOne Bank's Miscellaneous Bank Fees and Charges, for each new stop payment and for each renewal of a stop payment entered through CeB.
 - You must contact the Bank to stop payment on automatic debits processed by the Automated Clearing House (ACH), as this request requires additional documentation to be completed.

E-Statement:

For each account that you have specified the “Online” delivery method, a paper copy of the statement will no longer be produced. When you change an account statement delivery method from “Online” to “Paper” you will lose access to any statements previously delivered online. You may want to save your online statement before making this change.

ConnectOne Bank’s External Transfer Service for Online Banking Customers

- Within Online Banking, you have the option of participating in ConnectOne Bank’s External Transfer Service which allows you to transfer funds between your linked personal deposit accounts at ConnectOne Bank and certain deposit accounts owned by you at other financial institutions using an account number and financial institution identifier. An inbound transfer moves funds into an account you own at ConnectOne Bank from an account you own outside ConnectOne Bank. An outbound transfer moves funds from an account you own at ConnectOne Bank to an account outside ConnectOne Bank that is owned by you.

You must be enrolled in Online Banking to use ConnectOne Bank’s External Transfer Service. You will need to provide certain identifying information about each non-ConnectOne Bank account in order to register that account for this service. For inbound transfers, you agree that you will only attempt to register non-ConnectOne Bank personal accounts that you own or for which you have the authority to transfer funds.

Based on a pre-notification process, transfers may take up to 3 business days to process. Funds will be debited from your ConnectOne Bank account on the business day you direct us to initiate processing of the transfer, and typically will be credited to the receiving account on the next business day after the transfer is initiated. Also, external transfers will be subject to the following limits:

Per Item: \$3,000.00
Daily Limit: \$3,000.00

Special rules apply to Remittance Transfers, including, but not limited to, disclosures, cancellation and refund rights and error resolution rights. See Electronic Funds Transfer Agreement for details. Some of the above services may not be available for certain accounts, customers, or if you access Online Banking through Mobile Banking Apps or Mobile Web. ConnectOne Bank cannot guarantee the timely delivery or return of funds as a result of the failure of another financial institution to act in a timely manner.

You agree that you will have sufficient available funds in the designated deposit account to cover all outbound transfers on the date scheduled. If an account does not have sufficient funds available on the scheduled transfer date, the transfer will not be made. For other deposit accounts, if the account does not have sufficient available funds on the scheduled date, we may elect not to initiate one or more of the transfers. If we do elect to initiate the transfer, it may cause an overdraft in your account in which case you shall be liable for the overdraft and any overdraft fees and interest thereon, as set forth in your Deposit Agreement. If we do elect to initiate the transfer, you agree to pay all related fees as disclosed in your Deposit Agreement.

People Pay:

The current payment options are: depositing into an account and sending an email with pickup instructions to the recipient.

Payment Methods

- You must know the contact's bank routing number and account numbers to use this payment method.

- The payment will not be debited from your funding account until the payment is claimed.
- Once the payment is claimed it will be credited to the contact's account within 1-3 days.

Our liability for failing to make a transfer under this Agreement is specifically limited by the Electronic Fund Transfer Act, as well as all other applicable Federal and State laws. The provisions of this Act are outlined in your Electronic Funds Transfer Disclosure.

Termination:

This agreement will remain in effect until you or the Bank terminates it. A termination by you will not be effective until the Bank has received from you a signed written notice of the termination and has had reasonable time to act upon it. If there is no activity on your CeB service for a period of 180 days, the Bank will terminate your service. If we do this, you will be required to re-enroll in CeB.

Regulations:

Transfers made in accordance with this Agreement, and all rights and liabilities of both you and the Bank, are subject to the provisions of the Electronic Fund Transfer Act or Fair Credit Reporting Act. You were provided with a copy of the Electronic Fund Transfers Disclosure when you opened your account. Continuing Effect:

This agreement shall be governed by and construed and enforced in accordance with the laws of the State of New Jersey. In the event any provision of this agreement conflicts with state or federal law or is held to be invalid by a court, the remainder of the agreement will continue to be valid.
